

# Model:SCA-128M

AHD Camera

## Dimension:

## Specifications:

|                         |                                   |
|-------------------------|-----------------------------------|
| Model                   | SCA128M                           |
| Optical Format          | Camera 1/3" 130W SONY CMOS        |
| Effective Pixel Array   | NTSC : 1280 × 960                 |
| Min.illumination        | Color:0.005 Lux /F1.8             |
| Synchronization system  | Internal                          |
| Scanning system         | 2:1Internal                       |
| Video Output            | AHD(default) V2.0 Standard, 30fps |
| Audio Output            | N/A                               |
| S/n ratio               | More than 69db(AGC off)           |
| Electronic inis         | 1/60 to 1/100000 sec              |
| Gain Control (AGC)      | Auto                              |
| White Balance           | Auto                              |
| Electronic Shutter      | Auto                              |
| BLC                     | Auto                              |
| WDR                     | Digital WDR(70dB)                 |
| Infrared LED            | 6                                 |
| Infrared LED Range      | 5-8M                              |
| Angle Field of View (H) | 120°/150°                         |
| Pan Adjusting           | 0-30°                             |
| Tilt Adjusting          | 0-90°                             |
| Lens                    | 2.3mm/1.78mm                      |
| Operating source        | DC 6-13V                          |
| Power Consumption       | 150mA/12V (1.8W)                  |
| Operating Temperature   | -30°C to +85°C                    |
| Storage temp            | -40°C to +85°C                    |
| Weather/Water proof     | IP69K                             |
